A SEVERE rheumatic pain in the left shoulder had troubled Mr. J. H. Loper a well-known druggist of Des Moines, Iowa, for over six months. At times the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says, "and have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by the Chas. Lyle Drug Company.
